Re: Request for Duplication of Drawings Procedure

Mecklenburg County LUESA Code Enforcement is committed to making available permitting and inspection records that pertain to the building process in a timely manner. The following request for duplication of drawings procedure is established to help accommodate the public's right to access public County records while setting forth defined and consistent steps for requesting these records.

The County requires all requests be submitted, in writing, using the Mecklenburg County Code Enforcement Requestor Information for Drawings Duplication Form. Requests made in person will be considered during normal business hours.
